

The Creamlike CRISCO

For Frying—For Shortening
For Cake Making

It scarcely would be possible to imagine more ideal conditions of manufacture than those existing in the spotless Crisco factory. Human hands do not come in contact with Crisco until you open the attractive can in your own kitchen.

Crisco is unlike any other food product. Never has it been possible, before the discovery of the Crisco Process, to produce a solid fat from a vegetable oil without adding a stiffening agent. Nothing is added to Crisco. It is *all* vegetable, *all* pure, *all* digestible. It is the best or solid cream of the oil.

Crisco does more for cooking than any other fat known. The beneficial result of Crisco foods upon the digestion is as great in importance as the fact that they are more delicious.

Crisco is now used chiefly in those thousands of homes where men and women are most alert to the improvement of cooking methods and family digestion. They use Crisco for frying, for shortening, for cake making.

Make some simple test of Crisco. Then you will take pride in finding other ways of employing this product, which makes better foods—foods that are better for you.

MOTHERS' DAY OBSERVATIONS AT C. U. SUNDAY

Since Sunday is Mothers' Day, the services at Central Union church will recognize this fact throughout the various meetings.

At the morning church service the scripture reading in union will be the mothers' chapter, 1 Corinthians, XIII, and later in the program "A Mother's Verse" will be read. Dr. Doremus Scudder will preach, continuing his series on "Jesus' Father," the twelfth address, entitled "Source of Permanence."

At the evening service Mr. Ebersole will speak on "Christ's Ideal for the State" and the Kamehameha Male Quartet under the direction of George A. Andrus will sing two particularly appropriate selections: (a) "Mother Love," by Voigt (b) "Memories of Mother," by Harkness.

Mid-week meeting: "The Fundamental Teachings of the New Testament" is the general theme for the Wednesday evening meetings. In these meetings a careful study is made of the great themes contained in the New Testament; and the people attending these meetings frankly face the question, "Can these teachings be applied to modern life?" The large attendance indicates that these studies are touching the right point. They will continue until further notice.
